Dear Members,

Trail Brushing/Maintenance Date on Saturday October 26 ,2019. We'll meet at Turner's BP at 8am .

Baraboo River Runner's Snowmobile Club could use YOU!! There are some new rolls that we are looking to fill within the club. Each roll has been broken into easy to handle bits so that one can easily find a small amount time to take on helping out our club with things such as social media, website, scheduling meeting locations, and creating newsletters. If you would be willing to step in and help facilitate one or more of these items, it would be greatly appreciated!

Membership Renewal Reminders:

Membership renewal is open for the 2019-2020 Season. Please remember:

- ❖ *Seasonal Membership Renewal Dues shall be paid each year by November 1st of each season.*
- ❖ *Renewals may be submitted by printing out and sending in the renewal form off of our website, or via the PayPal link, available until November 1st.*

I have, again, included the 2019-2020 Membership Renewal in Fillable PDF Form for your convenience. Please fill out and be sure to note any changes in address, email address, or phone number. You may submit your completed forms and membership dues by bringing them to the meeting, or mailing to the PO Box on the membership form. You may also go to our website and renew with the PayPal link. Please remember that all renewal memberships must be submitted by November 1, 2019 deadline.

***NOTE:** Please remember that **this season's membership will END with the AWSC on June 30, 2020**, no matter what date you renewed your membership, per the new AWSC Membership Guidelines.

****IMPORTANT:** (This means that for the 2020/2021 season, each member will **HAVE TO renew** their membership with the AWSC **before** they will be able to order their trail passes.) Any order forms mailed in to the AWSC for trail passes will be returned to you if you have not renewed your membership prior to their receipt of your order. If ordering online, it will not allow you to order if your membership has not been renewed or processed prior to your trying to order trail passes. Please remember to allow 2 weeks processing time for your memberships, as there are fees for each membership submission, so we only submit every 2 weeks or so to the AWSC so as to defer as many of these processing fees as possible. The AWSC is also receiving \$2.00 more of each membership submitted to the club than in the past, so to keep our club membership fees the same, and not increase club dues, we will continue to combine membership submissions to the AWSC.
