Hello Members!!

We hope you have had a great summer, and everyone has stayed safe.

August 11th was the first meeting for the '21 – '22 snowmobiling season. Our attendance was a little low, but we still got a few things accomplished.

We have put some money towards purchasing 1 new track for the groomer that is in our area. Trail bosses have been in contact with landowners (most old and some new) about permission and trail conditions. We have a lot of trail cleanup that will need to be done before snow files. Our first 2 trail cleanup days are October 2nd and October 16th meeting at Turner's Gas station on County Highway BD at 8 am. The more hands we have the quicker and easier the work will be. PLEASE PUT ON YOUR CALANDAR!!!!

There has been a lot of interest about a snowmobile safety class this fall, and we are trying to coordinate a time and location for this event. We also need more instructors for safety classes, so please contact Dave Dahlke for more information.

If you have not paid your membership dues, please do so in the very near future. We only have 14 members signed up currently. Also, don't forget about your trail passes.

Our next meeting will be held at Fore Seasons Restaurant on September 8th at 6pm. Make note of new time. The club will be providing pizzas for Gem City for the meeting so please make sure and let us know if you will be attending for a head count.

See you at the next meeting

Vince & Angie Holt
