

## NOVEMBER NEWSLETTER 2021

### NEXT CLUB MEETING:

When: Wednesday, December 8<sup>th</sup>, 2021

Where: Tumbled Rock

Time: 6:30 p.m. (Please come early and support this great sponsor)

Hello Members!

Happy almost Thanksgiving! We have been very busy with all the trail and groomer work. The trail work is almost complete and are waiting for the rest of the crops to come off so we can finish signing and mowing. The groomer is almost complete other than a pesky heater fan motor, installing the GPS tracking module and the tracks to be delivered to us. The GPS tracker will be a great tool to see in real time the grooming as it happens and to better assist with groomer logging for state reimbursement.

The Plain snowmobile club is having a safety class December 3<sup>rd</sup> but spots are very limited. Please contact them for more information.

The next county meeting will be December 7<sup>th</sup> at Spring Brook in Wisconsin Dells at 7 p.m.

Vince & Angie Holt
