

BARABOO RIVER RUNNERS SNOWMOBILE CLUB

NEWSLETTER

Hello members!

Well, this is the last newsletter for the season. I hope everyone had a wonderful Easter! The snow is gone, although we did get more in April but it melted fast! We are having some crazy weather this year for sure!

I want to thank Pete & Darcy Filus for opening up their home for our last meeting on April 12th! We had yummy burgers that Pete did on the grill and all the delicious salads and sides that everyone brought. It was a very windy night so we were in garage which worked out perfect! We had a very relaxed meeting as you can tell by the minutes, 😊 but there wasn't really a lot to talk about so we just chatted for the rest of the evening. Thanks again Filus'

We would like to see more members at our meetings since there are 88 members that we have in the club! We will listen to any and all ideas you may have and it's just a nice time to get together and chat, so I hope next year we will see more of your faces!

We would like to plan on getting together one or two days in the summer for cook-outs or other get togethers, so watch your email for updates! 😊

The gun raffle party was a success again this year! The county raised about \$19,000!

Zeman's Old Highway House did an excellent job on the food and beverages! We had 3 people from our club actually win a gun!! Congratulations Wendy, Tim & Scott!!

A reminder that the snowmobile/UTV,ATV safety class is being held April 26th & April 29th, 2023 for anyone that needs to be certified. See the website www.gowild.wi.gov for more information! Thank you to Randy Benson for setting this up and to some of our members who are helping teach! Also a big thank you to Gateway Powersports for holding the classes at their business!

Have a great Spring and Summer! Remember to start doing your snow dance in November!!

Please thank our sponsors by supporting them even in our off season!
